

Raging Hunter™

OVERVIEW

Winner of the 2019 American Hunter Handgun of the Year Golden Bullseye Award, the Taurus Raging Hunter™ is a next-generation, big-bore revolver that's first in innovation—and built to last. A fun and effective alternative for short- to medium-range hunting scenarios, this five-shot revolver is chambered in 460 S&W Magnum and is available in Matte Black or Two Tone finish. Its revolutionary angular barrel design cuts down on overall weight, while its factory tuned porting and gas expansion chamber reduces muzzle lift for quicker target acquisition. Cushioned insert grips ensure a comfortable, controllable shooting experience.
